MORNING MEETING ACTION ITEM

TO: D/ONE

Godfrey related that they have nothing other than press reports on the fourth Soviet/Chinese clash along the Ussuri River. Noting today's item in the PDB that publicity on this dispute may somehow be related to the May World Communist Conference, Godfrey related that they have no hard information that the Conference will in fact be held. The Director asked the D/ONE to prepare by 21 March a memorandum assessing the state of Sino/Soviet tensions.
